Monday, 24th August, 2026

Dear parents/guardians,

We have had a wonderful first day back this week and the children have been re-familiarising themselves with our classroom routines after a restful weekend. Our focus for the day has been on talking about our families!

Here are some more highlights from our day:

- We reviewed our Show Me Five! hand for our display and reminded the children our five important actions that enable us to be ready for learning - Looking Eyes, Listening Ears, Still Hands, Still Feet, and Quiet Lips.
- We looked at our family photos and used vocabulary to introduce our family: Mum, Dad, auntie, uncle, grandma, grandpa, brother and sister.
- We listened to a song called 'We Are a Family' by Jack Hartmann about what families are.
- We read a story chosen by the children: 'Monkey Puzzle' By Julia
